
Career Day 2009
Campbell University
College of Pharmacy & Health Sciences
October 30, 2009, 10 am to 3 pm
John Pope Convocation Center, Buies Creek, NC

Dear Prospective Employer:

Campbell University School of Pharmacy invites your organization to meet our current and graduating Pharm.D, Pharmaceutical Sciences, and Clinical Research students and to participate as an interviewer/exhibitor or exhibitor at our annual Career Day. The event will be held on Friday, October 30th, 2009 at the John Pope Convocation Center in Buies Creek, NC from 10 am to 3 pm.

We are inviting not only our graduating students, but also our current students to attend this event. We ask that participating employers bring any information regarding full and part time positions, as well as any internship opportunities to Career Day.

We encourage our employers to both exhibit and interview during Career Day, but exhibiting alone is an option. Those companies exhibiting may have two representatives at no additional charge while companies both exhibiting and interviewing may bring up to four representatives. Additional representatives may come at a charge of \$30 per person. Interviews will be conducted in an area separate from exhibitors for privacy and noise control. Companies interviewing will receive a resume directory and interview schedule prior to Career Day detailing student qualifications. Additional directories may be purchased for \$15 each.

This year you have the opportunity to sponsor Career Day! Please see below for more information about sponsorship opportunities and the added benefits of additional representatives and signage at the event. If you wish to sponsor, please contact Jenny Sloop Johnson at sloop@campbell.edu or 910.893.1692.

Registration confirmation and resume directories will be mailed during the week of October 5, 2009. Final interview schedules will be emailed to the designated representative on October 21, 2009. Companies may begin setting up at 8:30 am on the 30th. A light breakfast and lunch will be provided during the day.

A room block has been reserved at the Hampton Inn in Dunn, NC. Please mention you are a participant of the Campbell University College of Pharmacy & Health Sciences Career Day to receive the Campbell rate. These special rates are available if reservations are made before **October 8, 2009**.
